3.4.1 Extension activities are carried out in the neighbourhood community, sensitizing students to social issues, for holistic development, and impact thereof during the year.

Students are motivated to take part and associate themselves in various programs that promote the ethical value and social service to the community. The students are actively participating in community development programmes. The students participated in multiple activities like organising blood donation camps twice in an academic year, and conducting health check-up or health awareness programmes once in a year and so on. Through the extension activities, our college promotes social justice and social responsibility among the students. The active participation of the students in social service activities allows them to understand the lifestyle and standard of living of the marginalised people. Also, motivate the students to improve their lifestyles. National Service Scheme is a community service programme sponsored by the Ministry of Human Resource Development (MHRD), Govt of India. This scheme promotes moral development, emotional development, social development, spiritual development, and national solidarity among the students. Also, it would be possible to improve the lifestyle of the villagers and slum dwellers and create awareness of social and health development. The motto of the National Service Scheme is "NOT ME BUT YOU". This expresses the essence of democratic living and upholds the need to appreciate the other man's point of view first and to show consideration for fellow human beings. It also underlines that the welfare of an individual is ultimately dependent on the welfare of society as a whole. Therefore, the NSS aims to demonstrate this motto in its day-to-day programme. But due to the COVID 19 pandemic and the government restrictions, our college could not able to execute our regular extension activities. Even though, our college faculty along with the students are participated and rendered meritorious services for Live Webcasting in connection with Panchayat Elections which organised by the District Rural Development Agency, East Godavari District.
