**Sir,**

I am pleased to appreciate your efforts in motivating your students to participate in web casting of Panchayat Elections held in four phases during February, 2021.

In these four phases a total of 158 students of your college participated in the webcasting process with utmost dedication. In this regard, the efforts put in by **Mr. M. Raghunath**, NSS Programme Officer & Assistant Professor, Department of ECE, in coordinating and monitoring the students deserve high appreciation.

The efforts, assistance and endeavors of your team in the process of webcasting pertaining to the Panchayat elections are incredible. We hope that you continue your support in all our future assignments also.
