Report on One day "Awareness Programme on Cancer"

Title	: "Awareness Program on Cancer"
Speaker	: Dr. Sumanth Manda, Surgical Oncologist, Delta Hospitals, Rajahmundry, EGDT
Objective	: To raise awareness about Cancer.
Venue	: Ground floor seminar hall, Ramanuja Bhavan
Date	: 22/02/2021
No. of Students Enrolled	: 200 students in two sessions.

Student Activity Center, organized an Awareness Programme on Cancer, Dr. Sumanth Manda, Surgical Oncologist, from Delta Hospitals, Rajahmundry stated about the need to raise awareness on cancer. He told that in India, the incidence of cancer is increasing rapidly; therefore it is important to step up cancer literacy and knowledge amongst the population. He told that according to research, one in every ten Indians will receive a cancer diagnosis at some point in their lives. Therefore, cancer affects many people in one way or another. He suggested that the risk of developing cancer can be lowered through lifestyle changes like proper and balanced diet and regular physical exercises, reducing obesity. The main objective of this programme is to create cancer awareness and remove the stigma and fear attached and helping people recognize the early signs and symptoms of cancer, thus enabling them to seek treatment at an early stage. B. Aishwarya, Third year student proposed vote of thanks and expressed her happiness for giving a valuable message.

REPORT
One day Training Programme on "INTERNET OF THINGS"

Title	INTERNET OF THINGS
Speaker	Sri K. Pavan Kumar, Technical Hub
Objective	To provide awareness on emerging areas
Venue	Third Floor, Seminar Hall, Room No: 301, Ramanujan Bhavan
Date	22/1/2021
No. of Students Enrolled	70+70

Student Activity Center in association with Technical Hub, organized an awareness programme on Internet of Things (IoT). The speaker Mr K. Pavan Kumar was introduced to the audience.

Mr Pavan Kumar explained about IoT and its components and working principle along with its applications in an elaborated way. He added that IoT has become popular and emerged as buzz word over the past few years. IoT has become a smarter bridge in the digital world, connects digital, physical and humans and enables to communicate and capture, process the data in a secured network environment. The advantages of learning IoT are explained and it offers a wide array of job opportunities to all the people.

Ms Ch. Aishwarya, first year student proposed vote of thanks and expressed her happiness on behalf of the gathering for having organized such a wonderful programme on new technologies.
