A Report on Plantation program

Date : 23-05-2022
Guest : Local Village Authorities
No of participants : 45
Place/Venue : Pedabrahmadevam
Beneficiary's : village people

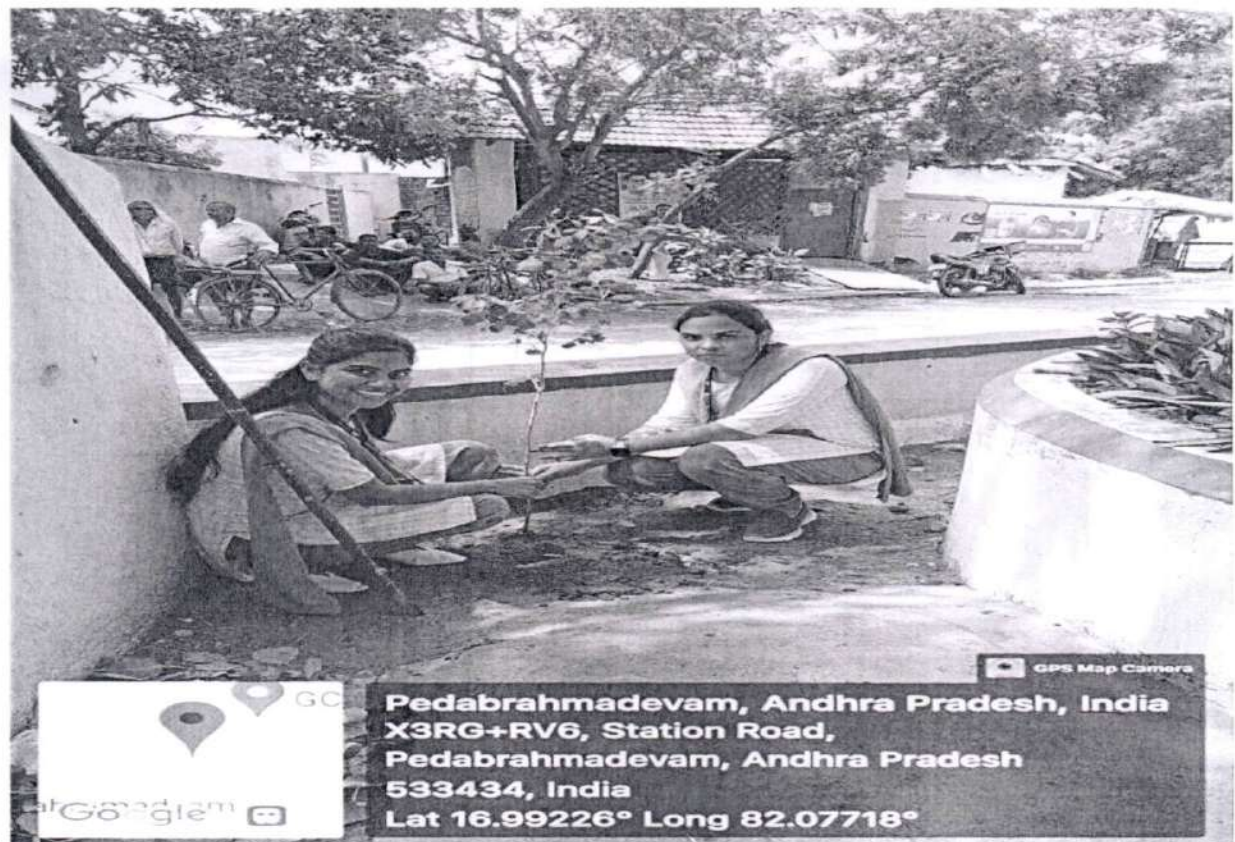

NSS unit, ACOE successfully completed the event of Tree Plantation under the National Service Scheme at Pedabrahmadevam village. Trees are the foremost source for producing the oxygen in environment, they help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today. The event began with the welcoming of guests Honorable Dr. A Ramesh, Principal, and Dr. PSVSS Ravi kumar Dean Aditya college of Engineering. The Principal advised the volunteers to think differently for the Society to make positive changes and to make improvement. After the inspirational words of guests and Principal we all move towards the place where tree plantation took place. Later we met the village president and he along with 40 of NSS volunteers participated in plantation of saplings. Over all we have planted 50 saplings at various places as per the guidance of village people. This program has given a real positive energy to all the NSS volunteers because it really feels great to do something positive for the nature.

Report on Community Mobilization for Plastic Waste Shramdaan & curbing of SUP

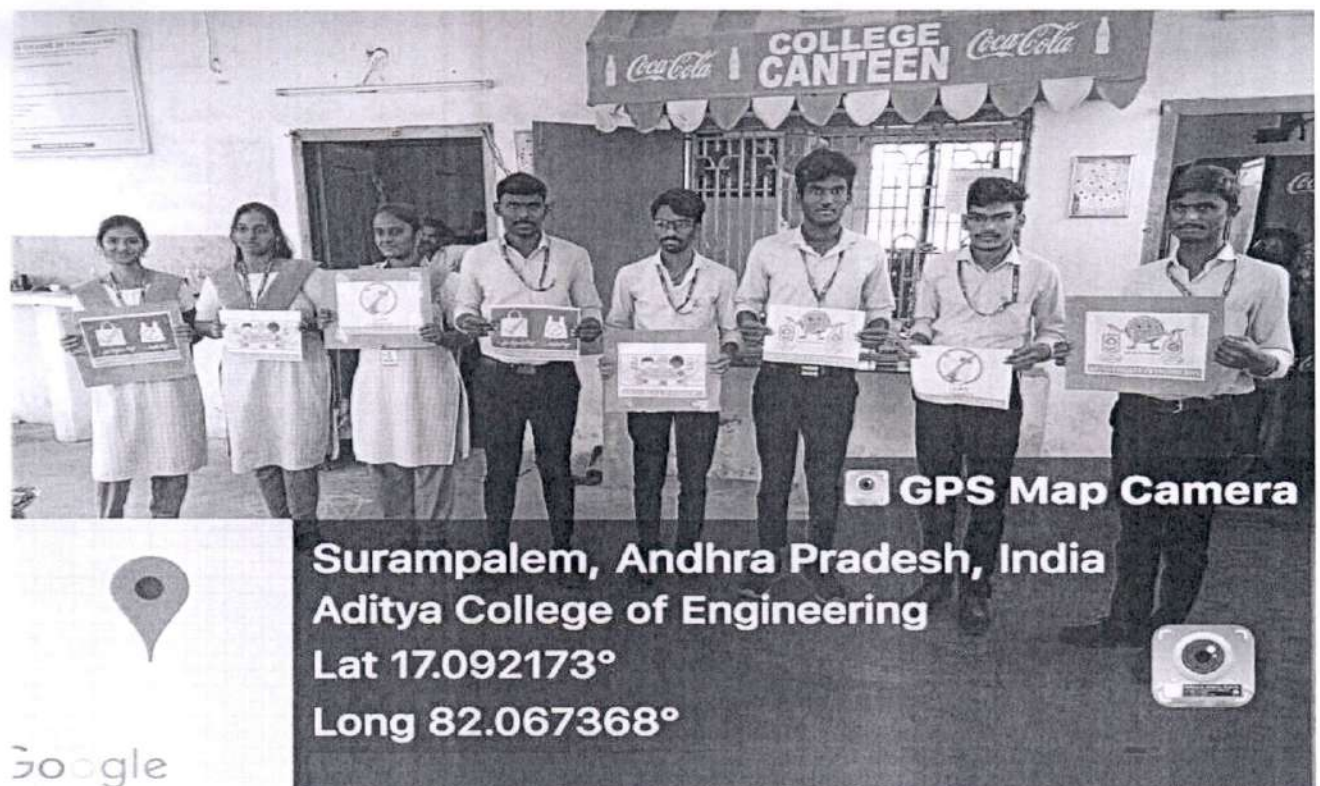

Date : 27-03-2022
Guest : Dr A Ramesh, Principal, ACOE
No of participants :45
Venue :Surampalem
Beneficiaries : Local village people

National Service Scheme (NSS UNIT) of Aditya College of Engineering has conducted an awareness program on plastic usage as a part of Plastic waste Shramdaan, as per the directions from the Regional Director, Regional Directorate of NSS, Ministry of Youth Affairs and Sports. It was done with the objective of spreading awareness against the harmful and fatal effect of using plastics and how it can be tackled successfully by bringing changes in our lifestyle. The college community, viz., the NSS and non-NSS students, the teachers, non-teaching staff, actively participated in the program. The NSS volunteers visited the adopted slum in surampalem village and started by collecting the plastic waste from in and around streets of the village and properly disposing them off in the designated bins. The NSS volunteers conducted an awareness rally about the evil effects of the use of plastics and the ways to manage them. They have also carried placards with them and shouted slogans against the use of plastic. The volunteers through these rallies (IPC) and e-campaigning (IEC) educated and mobilized the people regarding the curbing of single use plastics as well as about the necessity of the transformation.

Report on Aarogya Rally

Date : 06-11-21
Guest : Mr Kunche Raju, MPTC Suramaplem
No of participants :55
Venue :Suramaplem Village
Beneficiaries : Local Village people

NSS UNIT of Aditya College of Engineering organized a Rally to promote 'Fit India Movement' on 06/11/21 at Suramaplem village covering a distance of around 11 kilometres with 55 students participating in the rally.

The event was organised to promote fitness, health and well-being among the villagers, especially the youth. The rally also aimed to raise awareness about the harmful effects of drug abuse and the need to eliminate it from society. The walkathon started from Y junction of suramaplem village and continued to walk through all the streets of the village where our volunteers highlighted the importance of fitness and making physical activity a part of their daily routine and encouraged them to take up walking as a means to stay fit. The event was a testament to the commitment of NSS unit to promoting the well-being of the people of Surampalem village and the nation at large.

This rally is supported by the village president Mrs. ganga bhavani and MPTC Kunche Raja who also participated in the rally along with our volunteers and they have also given their valuable suggestions at government primary school. The event came to end by singing Jana Gana Mana song and all our volunteers headed back with proud and smiley faces

National Service Scheme (NSS UNIT) of Aditya College of Engineering organized an Awareness Program on Clay Ganesh on 09/09/2021 at surampalem village. Ganesh Chaturthi, a festival celebrated across India to honor Lord Ganesh, is becoming harmful to the environment these days because of usage of Ganesha idols, made of Plaster of Paris. These idols will later get immersed in water during this festival, which spoil the water. NSS unit ACOE comprehend the importance of using eco-friendly Ganesh idols. Our volunteers explained the importance of Clay Ganesh idols and also reminded them that our ancestors used clay Ganesha idols to celebrate this festival. As a Token of motivation our volunteers distributed 300 clay Ganesh Idols to the villagers. About 4 staff members and 30 students have actively participated in the event.
