The college Cultural Committee organized **UGADI VEDUKALU- Ugadi Festival**, in our College on 30<sup>th</sup> March 2022 surrounded by Telugu tastes, traditions, attire, devotions and so on. As the name suggests, Ugadi (uga plus adi) means the beginning of a new era or new sakam or a new year. It is **TELUGU NEW YEAR DAY**. The telugu calendar and telugu panchangam will start today. Dressed in the traditional attire, the countenances of all the boys and girls glittered with enticing and everlasting smiles adjoined with frivolous and frisky laughter pervading all through the location, singing, dancing, merrily moving around, wishing Happy Ugadi to all they encountered. It was a spectacular sight one shouldn't miss.

The ceremonial festive rituals started around 10 O' clock amidst a lot of pomp and festivity with Dr. A. Ramesh, Principal of our college as the distinguished Guest, accompanied by Dean Dr. PVV Ravi Kumar and other HoDs as special invitees. In His key note address, Dr. Ramesh enunciated the traditional and the historical background of the festival and its prominence in the present times. Acclaiming the nobleness and the loftiness of "Ugadi Pachchadi" the special dish of the day, he has philosophized the meaning of life in its width and breadth, thus reinforcing the holistic approach towards life i.e; life is a mixture of innumerable emotions and that one should not be carried away by its peripheral or superficial sentiments. Imploring God's blessings, he wished the participants prosperity and longevity. The other dignitaries also addressed the gathering and wished the students all the very best. The programme ended with vote of thanks followed by savoring the specially prepared Ugadi Pachchadi.
