

## 7.1.7 The institution has disabled- friendly, barrier free environment

Aditya College of Engineering ensures that the persons with disability enjoy the right to equality, life with dignity and respect for his or her integrity with others. The institute takes steps to utilize the capacity of persons with disability by providing appropriate environment. The institute shall take necessary steps to ensure reasonable accommodation for persons with disability. Aditya College of Engineering takes all measures to protect persons with disabilities against abuse, violence, and exploitation. The following facilities are provided for the disabled persons:

- Ramps with railings at the entrance of each building
- Lifts are provided in two buildings of the campus and provided provision in remaining buildings.
- Provided wheelchair facilities in all the buildings.
- Human assistance is provided and the sign boards are displayed with phone numbers for contacting the authority concerned at the main gate.
- The institute makes provisions of scribes for the needy to provide appropriate support to any person with benchmark disability. Such candidates may apply to the authority as per the norms of the affiliating University, with a request for providing high support.
- Use of battery operated vehicles for transportation.
- The institute maintains tactile paths and display boards.
- Designated parking places are also specified for disabled people.
- Availability of barrier free wash/ rest rooms facilities (Every building at ground floor).
- The institute follows the Standards for Information and Communication Technology as given in the Rights of Persons with Disabilities Rules, 2017, such as-
  - All contents available in audio, print and electronic media are in accessible format.
  - Braille software installed in 30 computers in Lab (Freeware downloaded from <https://sourceforge.net/projects/brailles/>)
  - Some other screening software also maintained in the labs which is freeware. (downloaded from <https://www.nvaccess.org/>, <https://www.satogo.com/en/>)
