(Approved by AICTE & Affiliated to JNTUK, Kakinada)
Aditya Nagar, ADB Road, Surampalem – 533437

Department of Petroleum Engineering

Title of the Workshop/Seminar : A THREE DAY WORKSHOP ON CURRENT CHALLENGES IN KG BASIN FIELDS

Resource Persons : 1) Mr. M.J.Ramakrishna,
Retd.FieldGeologist,ONGC

Date(s) of Workshop/Seminar : 15-10-2014 to 17-10-2014

Aim of Workshop :

The Workshop is dedicated in the training of staff and students on the study of KG basin fields. These fields are one of the petroliferous basins with proved hydrocarbon reserves in India. This is a three day workshop which focuses on current challenges in the KG basin fields.

Program Schedule:

15-10-2014(Day-1):

Session 1:

- Introduction about the sedimentary basin fields

Session 2:

- Introduction about the KG basin fields

16-10-2014(Day-2):

Session 1:

- Lecture on production techniques used KG basin fields

Session 2:

- Comparison of KG basin fields with other basin fields
